Re: • **SolBright Energy Solutions, LLC**
• **Request for Extension of Time Under Rider to Retail Rates, “Bill Credit Agreement”, (hereinafter, “BCA”)**

Ms. Boyd:

I am writing on behalf of my client, SolBright Energy Solutions, LLC, (hereinafter, “SolBright”) and I ask that this correspondence be treated as my formal request for an extension of time of the date limiter set forth in Rider “BCA”. Rider BCA currently requires that SolBright connect its solar facilities with SCE&G’s system by April 27, 2018. The solar facilities are for six Wal-Mart stores and the timely completion of the construction for Wal-Mart is of great financial importance to SolBright. SolBright has encountered time delays beyond its control and the Leadership of SolBright now realizes that it cannot connect its solar facilities to SCE&G’s system in compliance with the date limiter in Rider BCA.

I have been in discussions with SCE&G’s legal counsel and SCE&G has consented to SolBright’s request for an extension of time from April 27, 2018, until and including, August 25, 2018. Wal-Mart Stores East, LP and Sam's East, Inc.’s legal counsel and SCE&G’s legal counsel are copied hereon.

Because no other party will be prejudiced or adversely affected by SolBright's request, and because SolBright's request is consented to by SCE&G, I request that this matter be approved by the Commission, without formalities and without a Hearing.

Please notify the undersigned if there is anything else you may need and this request is,

Respectfully Submitted,

/s/ _____
